Beware of the Dog on Apple Books Beware of the Dog: Rugby's Hard Man Reveals All by Brian Moore WINNER OF THE 2010 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. Brian Moore, or 'Pitbull' as he came to be known during nearly a decade at the heart of the England rugby team's pack, established himself as one of the game's original hard men at a time when rugby was still an amateur sport.

WINNER OF THE 2010 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. Brian Moore, or 'Pitbull' as he came to be known during nearly a decade at the heart of the England rugby team's pack, established himself as one of the game's original hard men at a time when rugby was still an amateur sport. Since his retirement, he has earned a reputation as an equally uncompromising commentator, never afraid to tell it as he sees it and lash out at the money men and professionals that have made rugby into such a different beast. Yet, for all his bullishness on and off the pitch, there also appears a more unconventional, complicated side to the man. A solicitor by trade, Moore's love of fine wine, career experience as a manicurist and preference for reading Shakespeare in the dressing room before games, mark him out as anything but the stereotypical rugby player and in Beware of the Dog Moore lays open with astounding frankness the shocking events, both personal and professional, that have gone towards shaping him over the years. Presenting an unparalleled insight into the mind of one of British rugby's greatest players and characters, Beware of the Dog is a uniquely engaging and upfront sporting memoir, and a deserved winner of the William Hill Sports Book of the Year prize.

Inspiring and irreverent by turns, Brian Levison's new anthology has drawn on rugby's wealth of excellent writing. Frank Keating, P. G. Wodehouse, Alec Waugh, A. A. Thomson, John Reason and Mick Imlah are among the distinguished names who have written movingly, amusingly and entertainingly about the game they loved. Great players such as Brian O'Driscoll, Willie John McBride, J. P. R. Williams, Chester Williams, Colin Meads, Gavin Hastings and Brian Moore give us a fascinating insider's view, as does World Cup Final referee Derek Bevan, who reveals what it is like to try to control thirty powerful and often volatile men in a highly competitive situation. But some of the best writing and the wittiest insights come from those who played their rugby at a much less exalted level. The origins of the game - sometimes true, sometimes fanciful - are explored as are some of its rituals like the haka. There are amusing tales including that of the four Tibetan boys sent by the Dalai Lama to learn the game at Rugby School and an account of New Zealand scrum-half Chris Laidlaw's hostile reception at a village fête in Wales. Along with barely believable stories about the game's hardest men, including the French coach Jean 'le Sultan' Sèbédio, who used to conduct training sessions wearing a sombrero and wielding a long whip, and 'Red' Conway who had his finger amputated rather than miss a game for South Africa. One section 'Double Vision' looks at the same incident from opposing viewpoints, such as when the then relatively inexperienced Irish immortal Willie John McBride took a swing at the mighty All Black Colin Meads in a line-out. Another, 'Giving it Everything', shows how exceptional courage was not restricted to the rugby field but extended to the battle grounds of the First World War. From the compiler of highly acclaimed All in a Day's Cricket, this selection covers the game from virtually every angle and is sure to delight any rugby fan.

If you're new to the sport or you feel you could sharpen up your knowledge of the game, this guide is for you. Inside you'll find easy-to-understand advice on the basic rules and pitch positions, plus in-depth lessons on ball skills, fitness training, and techniques to outwit your opponents - all illustrated with entertaining stories from British and International rugby's back pages. In addition, you get a grounding in the local, national and international reaches of Rugby Union Rugby Union For Dummies 3rd Edition: Features an in-depth and up-to-date look at the Laws that form the beautiful game Covers all you will need to know about talking tactics and is perfect for anyone looking at swatting up on rugby for the World Cup and beyond Advises on all you will need to know to get stuck in and play Contains a new chapter on sevens as the sport will be a demonstration sport at London 2012 and a full sport at Rio 2016

Cases of sport-related child sexual abuse have received increasing news coverage in recent years. This book documents and evaluates this important issue through a critical investigation of the research and theory on sexual violence and child sex offending that has emerged over the past thirty years. Based on life-history interviews with male and female [survivors] of child sexual abuse in sport, this text offers a deeper appreciation for the experiences of those who are sexually victimized within sports and school-sport settings. Drawing on a wide range of sources, it also provides a new theoretical framework through which child sexual abuse in sport may be explored. Offering a critique spanning psychology, sociology and criminology, this book challenges existing theories of sex offending while advocating an alternative epistemology to help better understand and address this social problem. Presenting an original sociological approach to this field of study, Sexual Abuse in Youth Sport is important reading for any researcher, policy-maker or practitioner working in youth sport, physical education, sports coaching, sport policy, child protection or social work.

The first full-length popular biography of one of the first boxing superstars. Mendoza transformed boxing from a mere brawl into the sweet science, and was a master manipulator of publicity and shaping public opinion. He exploited the anti-Semitic feelings of the day and in doing so raised the social profile of Jews in Great Britain.

A young journalist expecting her first child attends the prenatal clinic in Gladstone Australia where she lives and by a quirk of fate discovers that all women the world over have stopped falling pregnant for no explicable reason. The story that she writes for her newspaper rocks the world to it's core and spirals her personal life onto an unimaginable journey of hope and despair.

Renowned English rugby player Brian Moore recalls his mischievous misadventures on tour, and provides hard-won tips to avoid trouble.

The Peter Crouch of Rugby, How to Be a Footballer meets Brian Moore's Beware of the Dog The truth about being a rugby player from the horse's mouth. This book is not just about how a psychiatrist called Humphrey helped me get back on my horse and clippity-clop all the way to the World Cup semi-final in Japan. It's the story of how a fat kid who had to live up to the nickname Psycho grew up to play and party for over a decade with rugby's greatest pros and live weird and wonderful moments both in and out of the scrum. That's why I'm letting you read my diary on my weirdest days. You never know what you're going to get with me. From being locked in a police cell to singing Adele on Jonathan Ross (I'll let you decide which is worse), being kissed by a murderer on the number 51 bus to drug tests where clipboard-wielding men hover inches away from my naked genitalia, melting opponents in rucks, winning tackles, and generally losing blood, sweat and ears in the name of the great sport of rugby. This is how (not) to be a rugby player.
