As Scyld Berry reveals in his new book, *Cricket: The Game of Life*, around 20,000 books or pamphlets have been produced in English on cricket over the years, a record. Now Mr Berry, a former editor of Wisden Cricketers' Almanack and the cricket correspondent of the Sunday Telegraph, has written a worthy addition to this rich lineage. The book may be eclectic, but it is also rewarding'

Life is like the game of cricket! For some it's a twenty overs match, they have very little time to show their worth, do or die, one cannot depend on singletons, they will have to play the lifting shots, either hit sixes or go back to the pavilion. The rival bowler is attacking, he, too, have a few overs, he will leave no stone upturned,

cricket field (see image, right) between two teams of eleven players each. The field is usually circular or oval in shape and the edge of the playing area is marked by a boundary , which may be a fence, part of the stands, a rope, a painted line or a combination of these; the boundary must if possible be marked along its entire length.
