Drew Karpysyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpysyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn,

Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. **BONUS:** This edition includes an excerpt from Drew Karpysyn's *The Scorched Earth*. Praise for *Children of Fire* “ This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy. ” —Publishers Weekly (starred review) “ A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller. ” —SF Revu “ From the first page of *Children of Fire*, Karpysyn captures the reader ’ s attention with his excellent, intricate storyline. ” —RT Book Reviews “ *Children of Fire* stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building. ” —Roqoo Depot “ [Karpysyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre. ” —Among the Wreckage “ Compulsively readable, wildly entertaining. ” —A Girl, A Boy and A Blog “ *Children of Fire* is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed *Children of Fire* and look forward for the next two books. ” —FANgirl Blog “ Drew Karpysyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, *Children of Fire* is a dark-chocolate fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Well done, Drew! ” —Tracy Hickman, New York Times bestselling co-author of the *Dragonlance* and *Death Gate* series

Twelve-year-old Theo uses arcane knowledge and her own special talent when she encounters two secret societies, one sworn to protect the world from ancient Egyptian magic and one planning to harness it to bring chaos to the world, both of which want a valuable artifact stolen from the London museum for which her parents work. 20,000 first printing.

When a strange book lands in twelve year old Fable's lap, and her cousin disappears into its pages, she follows, hurtling into an enchanted forest far from the rolling hills of her home. With the help of her peculiar new friends, Fable must learn to trust in herself or risk losing her cousin forever. Can she save him before it's too late?

The acclaimed national and international bestseller “ Epic, romantic, and enthralling from start to finish. ” —Stephanie Garber, #1 New York Times bestselling author of the *Caraval* series “ An all-consuming work of literary fantasy that is breathtaking both for its beauty and its suspense.”—BookPage, starred review A captivating and romantic debut epic fantasy inspired by the legend of the Chinese moon goddess, Chang ’ e, in which a young woman ’ s quest to free her mother pits her against the most powerful immortal in the realm. Growing up on the moon, Xingyin is accustomed to solitude, unaware that she is being hidden from the feared Celestial Emperor who exiled her mother for stealing his elixir of immortality. But when Xingyin ’ s magic flares and her existence is discovered, she is forced to flee her home, leaving her

mother behind. Alone, powerless, and afraid, she makes her way to the Celestial Kingdom, a land of wonder and secrets. Disguising her identity, she seizes an opportunity to learn alongside the emperor's son, mastering archery and magic, even as passion flames between her and the prince. To save her mother, Xingyin embarks on a perilous quest, confronting legendary creatures and vicious enemies. But when treachery looms and forbidden magic threatens the kingdom, she must challenge the ruthless Celestial Emperor for her dream—striking a dangerous bargain in which she is torn between losing all she loves or plunging the realm into chaos. Daughter of the Moon Goddess begins an enchanting duology which weaves ancient Chinese mythology into a sweeping adventure of immortals and magic, of loss and sacrifice—where love vies with honor, dreams are fraught with betrayal, and hope emerges triumphant.

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched.
