Mayte Prida, Hispanic cancer survivor, CA | Speak Well Being  
Cancer is a Journey, Not a Battle. posted on September 19, 2018. Advocacy Family Experiences From The Heart News. read more. I cringe every time I read or hear someone is fighting cancer or battling cancer. This language implies a war, which means there is a winner and a loser. Im betting you know someone who died from cancer and you also know that person was anything but a loser.

Moreover, patients do, of course, frequently die of cancer, but they are not losers in a battle. Once someone receives a cancer diagnosis, especially advanced-stage disease, a journey begins; sometimes the journey requires patience, tolerance, and courage, but at some point, most patients with advanced disease end that journey with loss of life.
