From Hell is the story of Jack the Ripper, perhaps the most infamous man in the annals of murder. Detailing the events leading up to the Whitechapel killings and the cover-up that followed, From Hell is a meditation on the mind of a madman whose savagery and violence gave birth to the 20th century. The serialized story, presented in its entirety in this volume, has garnered widespread attention from critics and scholars, and has been adapted into a major motion picture from Twentieth Century Fox starring Johnny Depp and Heather Graham. Often regarded as one of the most significant graphic novels ever published, From Hell combines meticulous research with educated speculation, resulting in a masterpiece of historical fiction both compelling and terrifying.

"RUDOLPH ON THE ROAD TO FUNVILLE" Every boy and girl needs a momma, like a puppy needs a bowl. The funny-sad clown series for a funny-sad clown world continues with a mother-daughter road trip illustrated by ZOE THOROGOOD (The Impending Blindness of Billie Scott).

This is the third volume in the Sex and Horror series, which celebrates the publishing craze known as "fumetti sexy." Italian adult comics and cartoons with a unique take on such genres as horror, crime, fantasy, history, and fairy tales. Their huge success in the 1960s and '70s was due in part to their uninhibited mix of twisted humor, gory violence, and up-front eroticism, but the element that makes them so collectable today is their technicolor cover illustrations, rendered by classically trained painters. This book focuses on the work of Fernando Carcupino, famed not just for his comic work but his pinups, as well.

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Ruskin Bond's first novel for children in a whole new look! Laurie, an English boy in a small hill town in India, strikes up an unlikely friendship with Anil, the son of a local cloth merchant, and Kamal, an orphan who sells buttons and shoelaces but dreams of going to college. One day the three discover a secret pool on the mountainside, and it is there that they plan their greatest escapee yet—a trek to the Pindari Glacier, where no one from their town has gone before. This newly illustrated edition of Bond's magical tale of camaraderie and adventure is sure to win over yet another generation of readers.

In a country where all races of human and creature live together, love is blossoming as people don't worry about each other's quirks or appearances. Among them is a clumsy dullahan who's head over heels about her track star boyfriend, a confused boy who questions how to talk to his mermaid crush, and a cute centaur wondering how to confess to her childhood friend. Everyone seems to be catching the love bug except for Setsuka, an icy oni who usually gives humans the cold shoulder. That changes when a determined, kind classmate named Eiji confesses his love to her, lighting a small spark in her chest. With advice from her monstrous friends and equally lovestruck sister, Setsuka's cold heart might turn red hot soon enough!
