Each topic is treated from the beginning, without assuming prior knowledge. Each chapter starts with an opening section covering an application. These help students to understand the relevance of the topic: they are motivational and they make the text more accessible to the majority of students. Concept Maps have been added, which together with Summaries throughout, aid understanding of main ideas and connections between topics. Margin points highlight key points, making the text more accessible for learning and revision. Checkpoints in each chapter test students' understanding and support their private study.

"The report, "I Had a Dream to Finish School": Barriers to Secondary Education in Tanzania," examines obstacles, including some rooted in outmoded government policies, that prevent more than 1.5 million adolescents from attending secondary school and cause many students to drop out because of poor quality education. The problems include a lack of secondary schools in rural areas, an exam that limits access to secondary school, and a discriminatory government policy to expel pregnant or married girls"--Publisher's description.

This textbook covers in one volume all topics required in the pure mathematics section of single subject A-Level Mathematics syllabuses in the UK, as well as a significant part of the work required by those studying for Further Mathematics and for A-Level

Principles of Physics is a well-established popular textbook which has been completely revised and updated.
