God formulated a Plan for all from before the beginning of the ages, which has been kept secret from the foundation of the world except to God's Elect. Many have tried to tell Bible stories as historical fiction. But I have attempted to tell the entire story of the universe, starting with the Bible and integrating history and chronology, legend, and ancient Talmudic tradition, along with a good deal of speculation. My story begins before time, and continues past the ages of time into eternity. It is an adult work, for some of mankind's descent into depravity cannot be sanitized. But it is also a fun work, as I bounce around from our perspective up to the heavenly realms and even down into hell itself. My purpose was not just to tell the story, but also to teach wisdom and to clarify the nature and character of God. I trust each reader will grow in relationship to the God of infinite love, as I have grown in the writing. Volume Five begins with the coming of Messiah to Earth - the Gospel story. It continues through the first few chapters of the book of Acts, and then skips to the book of Revelation - the Great Tribulation, Rapture, and Millennium. I conclude with a wildly speculative story of the ages beyond the Millennial Age, all the way into eternity when all things are reconciled with the eternal Father.

"God's Grand Plan of the Ages" captures the highlights of the more comprehensive book The Divine Plan of the Ages. Though brief in nature, this 96-page booklet shares a satisfying explanation of age-old questions: Why does a God of love permit the evil we see in the world? Why are there tsunamis and earthquakes that kill thousands|and wars that kill millions? Why must we experience pain, heartache and finally death? When will God's Kingdom come and His will be "done on earth as it is in heaven?" "God's Grand Plan of the Ages" also covers the signs of the "Time of the End" prophecied in the book of Daniel (Daniel 12:1-4). Daniel's prediction that knowledge would be increased is happening before our very eyes as we see the Brain Age coming in at an unprecedented rate. Though technology has been a blessing in many ways, man's selfishness and greed is also leading the world to an ever increasing "time of trouble, such as never was since there was a nation." What a comfort to know, that this trouble is a prophetic sign indicating that we are on the brink of the "Golden Age" that mankind has longed for since the dawn of history! God's Kingdom will be more wonderful, more glorious, more all encompassing, than all the dreams of philosophers, poets and sages. There will be a world of peace (Psalm 46:9) The heal ing of all the defects of humanity (Isa iah 35:5,6) Moral integrity will be planted in every heart (Jeremiah 31:33) All the dead of past ages will be raised to life again (1 Cor. 15:22) Sorrow, pain, tears and death itself will cease (Revelation 21:4) "No eye has seen, no ear has heard, no mind has conceived, what God has prepared for those who love him" (1 Corinthians 2:9) We hope you will receive a blessing from reading this booklet. We also recommend reading The Divine Plan of the Ages, available FREE on a DVD offered on the back of the booklet. It is but the first book in a series of six that covers every major doctrine of the Bible as a topical study with a harmony that is unprecedented in Christian literature. This six-volume set is also available FREE on the DVD|or at cost, in a hard bound edition.

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures."Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises propheticl chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more.American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

The late twentieth century witnessed a shift in the thinking and teaching of theologians on how to "rightly divide the word of truth (II Tim. 2:15)." This trend is continuing in the twenty-first century and is now being strenuously promoted by those who vehemently oppose traditional dispensational teaching. The greatest challenges to traditional Dispensational Theology in this present hour come from those who espouse the teachings of Reformed Covenant Theology and what has become known as Progressive Dispensationalism. The problem stems from the fact that there are some misconceptions about dispensational teaching that need to be addressed and some weaknesses concerning opposing viewpoints that need to be exposed. This challenge is not being vigorously confronted in the present hour because of the popularity and prominence of those who espouse these theologically divergent systems and the reluctance of the proponents of dispensationalism to be labeled as divisive or fanatic.
