Biology For You has been updated to offer comprehensive coverage of the revised GCSE specifications. It can be used with either mixed ability or streamed sets and higher tier materials are clearly marked.

The Cambridge IGCSE® & O Level Essential Biology Student Book is at the heart of delivering the course and provides a clear, step-by-step route through the syllabus that is ideal for EAL learners. It has been fully updated and matched to the latest Cambridge IGCSE (0610) & O Level (5090) Biology syllabuses. The book uses an engaging and exam-focused approach that is accessible to all abilities, with varied and flexible assessment support and exam-style questions that improve students' performance and ensure every learner reaches their full potential. It combines depth of subject matter and clarity of material with concise, well-presented content, and includes embedded language for EAL students. The Student Book is written by the experienced author team of our previous edition, Gareth Williams and Richard Fosbery, a Cambridge examiner. It has also been reviewed by subject experts globally to help meet teachers' needs. The Student Book is available in print, online or via a great-value print and online pack. The supporting Exam Success Guide and Practical Workbook help students achieve top marks in their exams, while the Workbook, for independent practice, strengthens exam potential inside and outside the classroom.

These full-colour Revision Guides provide board-specific support for GCSE Science and are designed specifically to raise standards.

Designed to be motivating to the student, this book includes features that are suitable for individual learning. It covers the AS-Level and core topics of almost all A2 specifications. It provides many questions for students to develop their competence. It also includes sections on 'Key Skills in Biology', 'Practical Skills' and 'Study Skills'.

This support pack has been fully revised and updated with additional guidance on developing the new specifications, activities, ICT support, technician cards, and additional revision and assessment material including past paper questions and model answers. Resources suitable for photocopying include: help Sheets and extension sheets for practical activities; and investigations and content (including further applications and practice). Also included are topic notes, topic maps, OHP sheets of key diagrams and mark schemes with answers to all exam questions in the textbook.

The tried and tested New Biology for you: Student book has now been updated to match the new GCSE Science specifications, including IGCSE. Well known for its clear layout of content that expresses even the most difficult scientific content in a clear and engaging way, this book is a firm favourite with science teachers and students alike.
