"Cases argued and determined in the Court of Appeals, Supreme and lower courts of record of New York State, with key number annotations." (varies)

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

First multi-year cumulation covers six years: 1965-70.

O livro trata dos direitos das pessoas com doenças crônicas graves e faz uma comparação com os direitos das pessoas com deficiência. A equiparação legal da pessoa com doença crônica grave à pessoa com deficiência aumentaria a proteção legal dos doentes crônicos e está em consonância com o que está disposto na Constituição Federal de 1988, com o valor da igualdade, com o princípio da dignidade da pessoa humana e com a garantia do mínimo existencial. Partindo do valor da igualdade, a obra trata das assimetrias de direitos estabelecidos nas diversas normas brasileiras que tratam das pessoas com deficiência e das listas de doenças crônicas que geram algum tipo de proteção

Explores how children's writers around the world have presented the theme and concept of time past.
