God Gave You Emotions on Purpose! Our emotions play a vital role in living happy, healthy, successful lives. All emotions, from love and joy to anger and fear, have an important part to play in understanding ourselves and others. They help us discover the wonders of this life as well as warn us when we are in danger. But this diversity of feelings is meant to complement our life, not determine it! In this life-transforming book, Joyce Meyer reveals powerful truths from God's Word that will help you learn to manage all of your emotions in the right direction. Through hilarious illustrations and real-life applications, Joyce delivers the keys to keeping your emotions in the proper place while allowing the Spirit of God to lead and direct you. Dynamic scriptural insights are included on topics such as: \* How not to be led by feelings \* Codependency \* Forgiveness \* Mood swings \* Healing for damaged emotions \* Depression \* And much more! Don't allow your feelings to determine your destiny! Instead, manage your emotions to complement and enhance your attitude for a joyful, victorious life!

Building on her signature message of using the mind to master difficult emotions, Joyce Meyer focuses on the most destructive, insidious one of all: anger. It is responsible for broken relationships, sleepless nights, high blood pressure and ulcers. It destroys friendships, marriages and families, not to mention peace of mind. Anger is especially hard to handle for many Christians who have learned from childhood that "good Christians don't get angry." Meyer argues that properly handled, anger is an alert system that something is wrong and needs to be resolved. In her latest book, she delves into the important process of forgiving, explaining its positive impact on the roots, the forms and the results of anger. Why forgive? Joyce explains that forgiving is the only thing that can free one from the terrible turmoil that anger causes to spill over into every part of life. Meyer understands that life will never be fair, but that is not a reason to let anger destroy our well-being and health. This is her guide to navigating that thorny territory and finding true peace.

Drawing on her own experiences of trauma and difficulties, renowned Bible teacher and bestselling author Joyce Meyer shares her expertise on how to grow and live a happy and joyous life. Joyce Meyer is probably better equipped than anyone when it comes to never giving up. She overcame an abused childhood, a bad marriage and extremely limited opportunities to become one of the most popular author/speakers in the world. JoyceMeyerMinistries was the first ministry in America to be headed by a woman, and it's one of the largest in the world. If anyone knows how to hold on to a dream and realize it, it's her. Packed with examples of people who pursued their goals relentlessly, the book profiles nearly fifty individuals who prevailed against all odds. From the builder of the Brooklyn Bridge to the chemists who invented Post-It notes we meet people like Bessie Coleman, an African-American who had to go to flight school in Paris in order to learn how to fly. But she did, becoming the first woman in America to earn her pilot's license in 1920. Download the free Joyce Meyer author app.

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In GOD IS NOT MAD AT YOU, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: \* Perfectionism and Approval \* The Pain of Rejection \* Guilt and Shame \* Developing Your Potential \* Run to God, Not from Him \* Getting Comfortable with God \*It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

Many people seem to have it all together outwardly, but inside they are a wreck. Their past has broken, crushed, and wounded them inwardly. They can be healed. God has a plan, and Isaiah 61 reveals that the Lord came to heal the brokenhearted. He wants to heal victims of abuse and emotional wounding. Joyce Meyer is a victim of the physical, mental, emotional, and sexual abuse she suffered as a child. Yet today she has a nationwide ministry of emotional healing to others like herself. In Beauty for Ashes she outlines major truths that brought healing in her life and describes how other victims of abuse can also experience God's healing in their lives. You will learn: \* How to Deal with the Emotional Pain of Abuse \* How to Understand Your Responsibility to God for Overcoming Abuse \* Why Victims of Abuse Often Suffer from Other Addictive Behaviors \* How to Grab Hold of God's Unconditional Love \* The Importance of God's Timing in Working Through Painful Memories.

#1 New York Times bestselling author Joyce Meyer discusses the importance of words in Change Your Words, Change Your Life: "Words are a big deal. They are containers for power, and we have to decide what kind of power we want our words to carry. . . . I believe that our words can increase or decrease our level of joy. They can affect the answers to our prayers and have a positive or negative effect on our future. . . . One might say that our words are a movie screen that reveals what we have been thinking and the attitudes we have." Building on the premises of her bestselling books, Power Thoughts and Living Beyond Your Feelings, Joyce examines how we use words-the vehicles that convey our thoughts and emotions-and provides a series of guidelines for cultivating talk that is constructive, healthy, healing, and used for good results. Topics include: The Impact of Words How to Tame Your Tongue How to Be Happy When to talk and when not to talk Speaking Faith and Not Fear The Corrosion of Complaints Do you really have to give your opinion? The importance of keeping your word The power of speaking God's word How to have a smart mouth In "A Dictionary of God's Word" at the end of the book, Joyce provides dozens of scripture verses, arranged by topic, and recommends that we read them aloud to strengthen our vocabulary of healing words.
