God's escape plan is free tickets for all on the Exodus Express, with Moses as the driver. Will Pharaoh stop them in their tracks? Or will they make it through the Red Sea tunnel to reach the Promised Land?

What Do All Christians Believe? For many people, words like doctrine and theology cause their eyes to glaze over, or they find them difficult to understand and struggle to see how they are relevant to daily life. But theology is far from boring—it is the study of God and should lead to awe and wonder as we better understand who God is and what he has done for us. In Core Christianity, author, pastor, and theologian Mike Horton tackles the essential and basic beliefs that all Christians share. What is “core” to the Christian faith? In addition to unpacking these beliefs in a way that is easy to understand, Horton shows why they matter to our lives today. This introduction to the basic doctrines of Christianity is a helpful guide by a respected theologian and a popular author, and it includes discussion questions for individual or group use. Core Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening in their understanding of what it means to be a follower of Jesus Christ.

Enjoying Exodus: The Bible in Rhyme is the biblical book of Exodus written in rhyming couplets. It follows Enjoying Genesis: The Bible in Rhyme, but can be read on its own. This book is meant for everyone, regardless of age or religious background. The book of Exodus is a cornerstone of our shared heritage and one of the great works of civilization. Enjoy this story of promise and faith, of freedom and redemption, of revelation and covenant. This book takes you through the rise of Moses as a leader, the exodus of the children of Israel from Egypt, the parting of the Sea of Reeds, the Ten Commandments, the sin of the golden calf, and the building of the tabernacle. Now you can experience the book of Exodus in a new and enjoyable way - all in rhyme! This book is ideal: for families to use either formally or informally in the home for family discussions around the table to promote reading together as a family for bedtime stories as a stepping stone to reading the Bible alone for pre-teens and young teenagers for adults who want to learn about religion or the Bible by themselves or in a group setting anyone who wants to get their feet wet with the bestselling book of all times anyone who wants to read the "good book" in an enjoyable easy to read format In short, Enjoying Exodus: The Bible in Rhyme is

meant to be read just as someone would read the Bible, but with the added bonus of seeing more smiles and having more people understand these important stories.

"A modern classic....Thrilling and constantly illuminating."—Michael Dirda, Washington Post Book World
Through a distinguished career of critical scholarship and translation, Robert Alter has equipped us to read the Hebrew Bible as a powerful, cohesive work of literature. In this landmark work, Alter's masterly translation and probing commentary combine to give contemporary readers the definitive edition of The Five Books. Winner of the PEN Center USA Literary Award for Translation and the Koret Jewish Book Award for Translation, a Newsweek Top 15 Book, Los Angeles Times Favorite Book, and San Francisco Chronicle Best Book.

In reading the literary rhetoric of the Book of exodus Kurle uncovers new insights in the author's purposes. The unique work undertakes to interpret the Book of exodus as a whole in terms of its rhetorical aims. The approach is distinguished from traditional critical readings in focussing not on the origin of the texts, nor on the theological specifics of putative sources, but on the text understood as having a coherent rhetorical strategy. It is also distinguished from expressly theological readings of the book. Kurle proceeds by considering, Yahweh, Moses and Israel as 'characters' in the literary sense, and exploring how the text operates through them on its 'implied readers'. Thus the particular focus is on the functional aspects of the text which direct the reading process and thus guide the reader in the perception of the ideas, concepts and stories presented. 'The book of exodus is the foundation for Israel's identity in its relation to God and part of the foundation of Jewish-Christian ethics. In The Appeal of Exodus Stefan Kurle offers a thorough, exegetically profound and pleasantly readable study using a functional-synchronic approach with a rhetorical-critical analysis. He concentrates completely on what the biblical text itself presents, looking at the persuasive nature of that text and presupposing an implied reader who has a certain knowledge of his own history. In the same manner the modern reader will be able to sense Israel's exciting journey from the oppressive slavery in Egypt to God's presence at Sinai.' Walter Hilbrands, Dean of studies, Giessen School of Theology, Germany

The story of ancient Israel, from the arrival in Canaan to the destruction of the Kingdom of Judah and the Babylonian exile some six centuries later, here is the highly anticipated second volume in Everett Fox's landmark translation of the Hebrew Bible. The personalities who appear in the pages of The Early Prophets, and the political and moral dilemmas their stories illuminate, are part of the living consciousness of the Western world. From Joshua and the tumbling walls of Jericho to Samson and Delilah, the prophet Samuel and the tragic King Saul, David and Goliath, Bathsheba and Absalom, King Solomon's temple, Elijah and the chariot of fire, Ahab and Jezebel—the stories of these men and women are deeply etched into Western culture because they beautifully encapsulate the human experience. The four books that comprise The Early Prophets look at tribal rivalries, dramatic changes in leadership, and the intrusions of neighboring empires through the prism of the divine-human relationship. Over the centuries, the faithful have read these narratives as demonstrations of the perils of disobeying God's will, and time and again Jews in exile found that the stories spoke to their own situations of cultural assimilation, destruction, and the reformulation of identity. They have had an equally indelible impact on generations of Christians, who have seen in many of the narratives foreshadowings of the life and death of Jesus, as well as models for their own lives and the careers of their leaders. But beyond its importance as a foundational religious document, The Early Prophets is a great work of literature, a powerful and distinctive narrative of the past that seeks meaning in the midst of national catastrophe. Accompanied by illuminating commentary, notes, and maps, Everett Fox's masterly translation of the Hebrew original re-creates the echoes, allusions, alliterations, and wordplays that rhetorically underscore its meaning and are intrinsic to a timeless text meant to be both studied and read aloud.

This bible commentary looks at how Exodus has influenced and has been influenced by history, religion, politics, the arts and other forms of culture over the ages. A bible commentary tracing the reception history of Exodus from Old Testament times, through the Patristic and Reformation periods, to the present day. Considers the ways in which Exodus has influenced and has been influenced by history, religion, politics, the arts and other forms of culture in Jewish, Christian and secular settings. Looks at how Exodus has served as a tool of liberation and tyranny in a variety of settings. Shows how Exodus has been used to shape the identities of individuals and groups. Discusses the works of current and past poets, musicians, film-makers, authors and artists influenced by Exodus. Addresses uses of Exodus related to American and European history such as the Glorious Revolution, colonialism, the American Revolution, Civil War, Civil Rights Movement, African-Americans, and Native Americans, as well as uses by prominent and little-known historical figures. Considers the impact of the Ten Commandments and other laws, in legal, political and religious contexts. The Blackwell Bible Commentary series is supported by a website at www.bbibcomm.net

Study the Books of Exodus and Leviticus, beginning with Moses's story and ending with the priests and their duties. Some of the major ideas explored are: Passover and exodus, covenant laws, instructions carried out, worship and laws. More than 3.5 million copies of the series have been sold. This revision of the Abingdon classic Genesis to Revelation Series is a comprehensive, verse-by-verse, book-by-book study of the Bible based on the NIV. These studies help readers strengthen their understanding and
