breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The automotive industry appears close to substantial change engendered by “ self-driving ” technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it ' s practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The Wet Tropics is a World Heritage area covering almost 900,000 hectares between Townsville and Cooktown in Far North Queensland Australia. This book features over 200 different sites in this area including waterfalls, mountain streams, major rivers, lakes, swamps, swimming holes, and all types of fresh water that is easily accessible to the general public. With maps and GPS settings it shows how to reach these places, and over 300 beautiful images show what to expect when you get there.
