Lent calls us to turn away from sin and be faithful to the Gospel. Few saints have done this more intentionally than St. Francis of Assisi. He lived the teachings of Jesus, often quite literally, from the time of his conversion until his death. In doing so, he inspired people of his own time as well as millions from his day to our own, to do likewise. By pairing the words and deeds of Francis with the Scripture readings for Lent, Lent With St. Francis: Daily Reflections helps readers reflect on how they, too, can live the Gospel in the circumstances of their daily lives. It is written in a simple and engaging style that will draw readers in to the life of Francis, as they grow in their faith and spiritual practice through the inspiration of this beloved saint.

We live in perilous times, and author Jaren L. Jones believes that events and signs preceding the second coming of Jesus Christ to earth can be seen every day around the world. In Last Saturday, Jones raises an alarm and warning. Scriptural prophecies describe many circumstances, both good and bad, that will be prevalent in the last days. They include evil and wickedness, faith and righteousness, the gathering of Israel, the restoration of Christ's church, wars, and rumors of wars. Jones demonstrates how this is being played out: news headlines, magazines, and social media reveal evil and human suffering every day. Citing scriptural references, and through stories, current news, and other quotes, Jones points toward the realization of Last Day prophecies. He provides proof that today is Last Saturday.

A collection of homilies, speeches, and "messages of the day" that brings together Pope Francis's wisdom on finding happiness in the here and now For Pope Francis, the appreciation of our everyday lives is a spiritual undertaking. Joy is a divine attribute, and creating joy around us an essential part of faith. Every homily and speech in this book delivers, in warm, engaging language accessible to believers and nonbelievers alike, a key lesson, instructing readers on finding love and happiness in a chaotic world. Along the way, Pope Francis discusses the sanctity of women's rights, talks about how the love of sports can bring out our best qualities, and explains why fighting discrimination is the essence of loving thy neighbor. He shares personal stories and anecdotes from his life, provides comforting messages of hope, and discusses the ways flawed families can make you a better person. The core ideas of Francis's papacy—mercy, support for marginalized people, and diplomacy—shine through. Praise for Happiness in This Life "Though the title of the book mentions happiness, this collection of thoughts addresses something much deeper—joy. Bringing together excerpts from Pope Francis's sermons, speeches, prayers, and addresses, these pieces address a range of themes, from mercy and humility to simplicity and family. . . . Readers will be encouraged to clear away the cacophony of modern society and embrace the simplicity of joy. A book as loving and encouraging as the man himself seems to be."—Booklist "With this wide-ranging collection of writings, homilies, and addresses, the current pontiff dispels any notion that religious practice is dull and antiquated. . . . It brings together the pope's most affecting passages to inspire Catholics (and those of other faiths) to lift up those around them."—Publishers Weekly "Reminiscent of the gentle encouragement of the Dalai Lama . . . Family-centered and practical—especially on difficult matters of familial contention—these homilies are, on the whole, gentle encouragements to do the right thing. . . . [This] collection offers clear insight into the pope's doctrinal concerns."—Kirkus Reviews

Pope Francis is a pope of the people, and his teachings have been praised and shared by the faithful and nonreligious alike. Exploring themes universal to all people, Pope Francis' Little Book of Compassion offers inspiration and hope from one of the world's great spiritual leaders. In it, the Holy Father explores how living a life of compassion can be practiced in five areas of life: prayer, mercy, forgiveness, solidarity, and charity. Pope Francis appears to be changing the face of Roman Catholicism. He has infused the dusty institution with openness and optimism, faced off against established power interests within the Vatican, reformed the Church's finances, and, most importantly, asked that Catholics approach one another and non-Catholics with candor, humility, and love. He has made the papacy and the Church relevant once again. Words from Pope Francis: "A little bit of mercy makes the world less cold and more just." "There is so much indifference in the face of suffering. May we overcome indifference with concrete acts of charity."

The Peace of Christmas offers an opportunity to reflect with Pope Francis on the many moods and challenges of one of the central realities of our faith: Our God became one of us, came to dwell in our midst, and began life as we all do, as a tiny baby, needy and vulnerable and dependent on the people around him for his very survival. Through the pope's insights and reflections, you will be comforted and challenged, enlightened and reassured. He knows that Christmas is many things to many people, often changing with the times and circumstances, with your experiences in the months since last Christmas. Just as God chose to become one of us, so our lives are shaped and changed by the world around us. While the book is divided into daily reflections, it's more a book for browsing than marching through day by day. Keep it someplace handy, pick it up when you have a few minutes of quiet. Turn to its pages when you feel frustrated with the hectic pace of preparations or when you feel suddenly struck by the wonder and beauty of this season. Let the words of Scripture and the words of Pope Francis move you to a new appreciation of the incarnation.

"I want the Church to go out onto the streets, I want us to resist everything worldly, everything static, everything comfortable, everything that might make us closed in on ourselves." —Pope Francis, World Youth Day 2013 Pope Francis has been called the "pope of the people" as he captures minds and hearts with his joyful faith, with his warm, direct and loving attention to those he meets, and with his attention to the poor and needy. Now you can start — or finish — every day encouraged by the same engaging spirit alive in these 365 short meditations written by Pope Francis. Let his words inspire and challenge you, push you deeper into Scripture, raise your prayer to new heights, or simply fill you with gratitude for God's personal love for you. Join Pope Francis and let the flame of faith catch fire within you, as it slowly catches fire across the world.

A Pope Francis Lexicon is a collection of over fifty essays by an impressive set of insightful contributors from around the globe, each writing on a specific word that has become important in the ministry of Pope Francis. Writers such as Sr. Simone Campbell, Cardinal Blase Cupich, Cardinal Óscar Rodríguez Maradiaga, Fr. James Martin, Cardinal Luis Antonio Tagle, Anglican Archbishop Justin Welby, and Carolyn Woo explore the Pope's use of words like joy, clericalism, money, family, and tears. Together, they reveal what Francis's use of these words says about him, his ministry and priorities, and their significance to the church, the world, and the lives of individual Christians. The entire collection is introduced by a foreword by Ecumenical Patriarch Bartholomew, the spiritual leader of Orthodox Christians worldwide, and a preface by one of Francis's closest advisors, Cardinal Seán O'Malley. This is no set of encyclopedia entries. It's a reflective, inspiring, and often heartfelt book that offers engaging answers to the question "What is this surprising Pope up to?"
