~~Lymond Chronicles - Wikipedia~~

The Lymond Chronicles follow the exploits of Francis Crawford of Lymond, younger son of a mid-16th-century Scottish noble family. When we first meet him, Lymond (as most call him) has just returned to his homeland, despite having been declared an outlaw and excommunicate. He is an autodidact and a polyglot, with a broad knowledge of literature and philosophy, a talented musician and master of disguise, and an expert swordsman, archer, and military strategist.
