Kent's repertory is one of the most acceptable repertories amongst the homeopathic fraternity . Kent's comparative repertory is a helping hand for the physicians and students alike to overcome the problem of understanding the exact meaning of each rubric and to differentiate amongst the closely related ones such as :abandon and Forsaken' also the book is a guide for the selection of 'The correct remedy' as it details the differentiating features of each of the third grade remedy under the given rubric. This facilitates the physician at the clinical level. The book well elucidates the most important section of the Kent's repertory which is the Mind section.

A Repertory Which Is Used By Every Homeopath Based On The Original Provings And Information Gathered Till That Time.Includes The Art Of Repertorizing.

This book is about practising homeopathy.

A repertory which is used by every homeopath Based on the original provings and information gathered till that time.Includes the art of repertorizing.

The most authoritative book on homeopathy ever published. Abbreviations and names of drugs have been standardised according to Synthesis in the whole text. An index of the drugs, both common and Latin names have been introduced under contents.

As one begins to learn the homeopathic methodology, repertorising is a difficult, if not ominous endeavor. This book helps to sort out the many nuances of old, and clarify much of the "older" jargon. It explains to the novice homeopath just how to begin taking a case and using the Repertory in practical terms. The author presents the subject in a very logical and understandable sequence. A subject that is normally difficult to master is easily grasped with the help of this book.

Product Dimensions: 7.5 x 5.3 x 1.7 inches This edition contains all the well known and new medicines and essentials of the published clinical experience. A condensed form of Materia Medica for practical use.
