Secondary education in Singapore is largely public, and is compulsory until a child has reached 15 years of age. There are three main public secondary education streams: Express, Normal (Academic) (N (A)), and Normal (Technical) (N (T)), with special and private education courses also being available. At the end of public primary education, Singapore students take the Primary School Leaving Examination (PSLE) and are placed into the different streams and secondary schools based on their results.
