The same notes can sound square or swinging, depending on how the music is phrased. This revolutionary book shows how many people misunderstand jazz phrasing and shows how to replace stiff phrasing with fluid lines that have the right jazz feeling. In this book, master pianist Hal Galper also shows how get that feeling of forward motion and also how to use melody guide tones correctly, how to line up the strong beat in a bar with the strongest chord notes, and much more!

One of the Best Books of the Year: NPR, GO, Billboard, JazzTimes In jazz parlance, "playing changes" refers to an improviser's resourceful path through a chord progression. In this definitive guide to the jazz of our time, leading critic Nate Chinen boldly expands on that idea, taking us through the key changes, concepts, events, and people that have shaped jazz since the turn of the century—from Wayne Shorter and Henry Threadgill to Kamasi Washington and Esperanza Spalding; from the phrase "America's classical music" to an explosion of new ideas and approaches; from claims of jazz's demise to the living, breathing scene that exerts influence on mass culture, hip-hop, and R&B. Grounded in authority and brimming with style, packed with essential album lists and listening recommendations, Playing Changes takes the measure of this exhilarating moment—and the shimmering possibilities to come.

From the editor of the "New Grove Dictionary of Jazz" comes a unique way of approaching and understanding jazz. Drawing on 21 historic jazz recordings, reproduced on a compact disc that accompanies the book, Barry Kernfeld illustrates jazz rhythm, form, arrangement, composition, improvisation, style and sound.

12 of his best for the beginning player, including: Forever In Love • Silhouette • Songbird • The Wedding Song • and more.

You'll gain confidence to please your girl, no matter what your hands-on experience. Buckle your seat belt and get ready to ride!

La storia del jazz, con prefazione di Pupi Avati, racconta oltre un secolo di musica, dalle " radici " fino alla contemporaneità , attraverso personaggi, stili, tecnologie. La novità di questo volume sta nell' affiancare nella trattazione in modo organico Stati Uniti, Europa e Italia, mostrando in parallelo come il linguaggio jazzistico - nato in Nordamerica - si sia radicato e modificato sulle due sponde dell' Atlantico. Lo spazio per le vicende europee ed italiane è , infatti, presente in modo caratterizzante, con una sezione interamente dedicata alle scene del jazz continentale, dalla Scandinavia al Mediterraneo. Altra novità è il taglio divulgativo della narrazione, rivolta a lettori interessati sia alla musica ma non necessariamente specialisti. Informazione, analisi, riferimenti storico-sociali, tendenze sono infatti proposti in capitoli godibili sia da neofiti sia da appassionati. L' opera è costituita da undici sezioni corredate di box di approfondimento (fra cui schede tecniche sul linguaggio musicale), discografia (oltre 250 album consigliati) e cronologia. Uno sterzovolto a chi si avvicina per la prima volta al Jazz, come a chi gli è lo conosce e lo ama.

A rare collection of more than 200 full-color and black-and-white souvenir photographs and memorabilia that bring to life the renowned jazz nightclubs of the 1940s and 1950s, compiled by Grammy Award-winning record executive and music historian Jeff Gold and featuring exclusive interviews with Quincy Jones, Sonny Rollins, Robin Givhan, Jason Moran, and Dan Morgenstern. In the two decades before the Civil Rights movement, jazz nightclubs were among the first places that opened their doors to both Black and white performers and club goers in Jim Crow America. In this extraordinary collection, Jeff Gold looks back at this explosive moment in the history of Jazz and American culture, and the spaces at the center of artistic and social change. Sittin' In is a visual history of jazz clubs during these crucial decades when some of the greatest names in the genre—Billie Holiday, Charlie Parker, Ella Fitzgerald, Dizzy Gillespie, Miles Davis, Louis Armstrong, Oscar Peterson, and many others—were headlining acts across the country. In many of the clubs, Black and white musicians played together and more significantly, people of all races gathered together to enjoy an evening's entertainment. House photographers roamed the floor and for a dollar, took picture of patrons that were developed on site and could be taken home in a keepsake folder with the club's name and logo. Sittin' In tells the story of the most popular club in these cities through striking images, first-hand anecdotes, true tales about the musicians who performed their unforgettable shows, notes on important music recorded live there, and more. All of this is supplemented by colorful club memorabilia, including posters, handbills, menus, branded matchbooks, and more. Inside you'll also find exclusive, in-depth interviews conducted specifically for this book with the legendary Quincy Jones; jazz great tenor saxophonist Sonny Rollins; Pulitzer Prize-winning fashion critic Robin Givhan; jazz musician and creative director of the Kennedy Center, Jason Moran; and jazz critic Dan Morgenstern. Gold surveys America's jazz scene and its intersection with racism during segregation, focusing on three crucial regions: the East Coast (New York, Atlantic City, Boston, Washington, D.C.); the Midwest (Chicago, Cleveland, Detroit, St. Louis, Kansas City); and the West Coast (Los Angeles, San Francisco). This collection of ephemeral snapshots tells the story of an era that helped transform American life, beginning the move from traditional Dixieland jazz to bebop, from conservatism to the push for personal freedom.
