Tengu/The Devils Of D-Day/The Mirror/Charnel House by ...

Tengu are a type of legendary creature found in Japanese folk religion. They are considered a type of yōkai or Shinto kami. The tengu were originally thought to take the forms of birds of prey, and they are traditionally depicted with both human and avian characteristics. The earliest tengu were pictured with beaks, but this feature has often been humanized as an unnaturally long nose, which today is widely considered the tengu's defining characteristic in the popular imagination. They are also

The Official Graham Masterton site includes a biography, full interactive bibliography, up-to-date news, interviews, a message board and links to other places of interest. There are also opportunities to pass on your questions to the author himself as well as book covers of all the UK editions of his horror, thriller, historical and short story collections, plus synopses of most of his ...

Graham Masterton - The Official Site: Bibliography

The Devils of D-Day is an evocative piece about a cartographer who makes a mystical discovery in an old World War II tank. And as the cartographer discovers it secret, we go on a journey that only a horror master such as Masterton can create. This story is one of many I have enjoyed by Masterton, and is probably more special to me because it
