"The biggest challenge is managing a virtual team," says Amec Foster Wheeler's group HRD Will Serle. "You can no longer open the door and wander around your team. It requires you to form those relationships initially and then, because you can't travel to places continuously, you have to put extra effort into maintaining those in a virtual way."

The HR challenges of a truly global world

The task of managing a firm with multinational operations presents challenges related to foreign government regulations, product standardization, product adaptation, barriers to market entry and human resources management. When a firm decides to expand its operations globally, it must consider market variables, including the country's natural resources, market type and potential differences in standard business procedures.
