The second edition of this essential and newly updated workbook is intended for use with couples who want to enhance their emotional connection or overcome their relationship distress. It closely follows the course of EFT treatment and allows clinicians to easily integrate guided reading, reflection, and discussion into the therapeutic process. Incorporating new developments in EFT and decades of research in the field of attachment, Veronica Kallos-Lilly and Jennifer Fitzgerald include chapters that explore concepts such as attachment bonds, the three cycles of relationship distress, how to make sense of emotions, relationship hurts and more. The workbook follows the familiar and accessible format of the first edition, Read, Reflect, and Discuss, and weaves fresh, illustrative examples throughout, with updated content considering the impact of gender, culture, and sexual orientation on relationship dynamics.
