The Incurrigible Children of Ashton Place are no ordinary children, Miss Penelope Lumley is no ordinary governess, and mysteries abound in this first volume in a new series for ages 9+.

Found running wild in the forest of Ashton Place, the Incurrigibles are no ordinary children: Alexander, age ten or thereabouts, keeps his siblings in line with gentle nips; Cassiopeia, perhaps four or five, has a bark that is (usually) worse than her bite; and Beowulf, age somewhere-in-the-middle, is alarmingly adept at chasing squirrels. Luckily, Miss Penelope Lumley is no ordinary governess. Only fifteen years old and a recent graduate of the Swanburne Academy for Poor Bright Females, Penelope embraces the challenge of her new position. Though she is eager to instruct the children in Latin verbs and the proper use of globes, first she must help them overcome their canine tendencies. But mysteries abound at Ashton Place: Who are these three wild creatures, and how did they come to live in the vast forests of the estate? Why does Old Timothy, the coachman, lurk around every corner? Will Penelope be able to teach the Incurrigibles table manners and socially useful phrases in time for Lady Constance's holiday ball? And what on earth is a schottische?

Though she is eager to instruct the children in Latin verbs and the proper use of globes, first she must eliminate their canine tendencies. The second book in the Incurrigible Children of Ashton Place—the acclaimed and hilarious Victorian mystery series by Maryrose Wood, perfect for fans of Lemony Snicket and Trenton Lee Stewart—has a brand-new look. Thanks to their plucky governess, Miss Penelope Lumley, Alexander, Beowulf, and Cassiopeia are much more like children than wolf cubs now. They are accustomed to wearing clothes. They hardly ever howl at the moon. And for the most part, they resist the urge to chase squirrels up trees. Yet the Incurrigibles are not entirely civilized, and still managed to ruin Lady Constance's Christmas ball, nearly destroying the grand house. So while Ashton Place is being restored, Penelope, the Ashtons, and the children take up residence in London. As they explore the city, Penelope and the Incurrigibles discover more about themselves as clues about the children's—and Penelope's own—mysterious past crop up in the most unexpected ways....

The fourth book in the Incurrigible Children of Ashton Place—the acclaimed and hilarious Victorian mystery series by Maryrose Wood, perfect for fans of Lemony Snicket and Trenton Lee Stewart—has a brand-new look. Turning sixteen is a bittersweet occasion for Miss Penelope Lumley. Luckily, an invitation to speak at the annual Celebrate Alumnae Knowledge Exposition (or CAKE) at the Swanburne Academy for Poor Bright Females provides just the diversion Penelope needs. Optoomuchstic as ever, Penelope hopes to give her CAKE talk, see some old friends, and show off the Incurrigible children to Miss Mortimer, but instead she finds her beloved school in an uproar. And when Penelope is asked by the Swanburne Academy board of trustees to demonstrate the academic progress of her three wolfish students so they can judge the true worth of a Swanburne education, the future of her alma mater—and of her job as governess to the Incurrigibles—hangs in the balance.

In Maryrose Wood's stunning middle-grade novel, *Alice's Farm*, a brave young rabbit must work with her natural predators to save her farmland home and secretly help the farm's earnest but incompetent new owners. When a new family moves into Prune Street Farm, Alice and the other cottontails are cautious. The new owners are from the city; the family and their dog are not at all what the rabbits expect, and soon Alice is making new friends and doing things no rabbit has done before. When she overhears a plan by a developer to run the family off and bulldoze the farm, Alice comes up with a plan, helped by the farmer's son, and other animals, including a majestic bald eagle. Here is a stunning celebration of life, the bitter and the sweet. Alice is some rabbit—a

The third book in the Incurrigible Children of Ashton Place—the acclaimed and hilarious Victorian mystery series by Maryrose Wood, perfect for fans of Lemony Snicket and Trenton Lee Stewart—has a brand-new look. Since returning from London, the three Incurrigible children and their plucky governess, Miss Penelope Lumley, have been exceedingly busy. When Lord Fredrick's long-absent mother arrives with the noted explorer, Admiral Faucet, gruesome secrets tumble out of the Ashton family tree. And when the Admiral's prized racing ostrich gets loose in the forest, it will take all the Incurrigibles' skills to find her. The hunt for the runaway ostrich is on. But Penelope is worried. Once back in the wild, will the children forget about books and poetry, and go back to their howling, wolfish ways? What if they never want to come back to Ashton Place at all?

Since returning from London, the three Incurrigible children and their plucky governess, Miss Penelope Lumley, have been exceedingly busy. Unhappy Penelope Lumley is trapped in unhappy Plinkst! Even the beets for which Plinkst is inexplicably famous fail to grow in this utterly miserable Russian village. Penelope anxiously counts the days and wonders how she will ever get back to England in time to save all the Ashtons—who, she now knows, include herself and the Incurrigible children, although their precise location on the family tree is still a mystery—from their accursèd fate. Her daring scheme to escape sends her on a wildly unexpected journey. But time is running out, and the not-really-dead Edward Ashton is still on the loose. His mad obsession with the wolfish curse on the Ashtons puts Penelope and the Incurrigibles in dire peril.
