Unfortunately I would have to give "The lies we told" 4/5. Don't get me wrong I really enjoyed this book, I liked the character of Maya and at times felt her pain, but found the characters Adam and Rebecca less likable. The story flows well until the last couple of chapters, when it feels like the author

On a whole, The Lies We Told is an amazing story that's beautifully crafted by Diane Chamberlain's beautiful writing. I absolutely loved the story as it was told by both Maya and Rebecca. Both the characters were so well developed even from the very first few pages.
