The Life and Times of Grizzly Adams is a 1974 independent feature film inspired by a 1972 historical fiction novella written by Charles E. Sellier Jr. The film's popularity led to an NBC television series of the same name. The title character, played by Dan Haggerty, was loosely based on California mountain man John "Grizzly" Adams (1812\u20131860).

This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

Skillfully interweaving quotations from Wright's writings, Rowley portrays a man who transcended the times in which he lived and sought to reconcile opposing cultures in his work. In this lively, finely crafted narrative, Wright--passionate, complex, courageous, and flawed--comes vibrantly to life. Two 8-page photo inserts.

Facts and illustrations tell the story of corn, the giant of grains.

He was born in a middle-class family in small-town India of the late fifties. His parents chose for him the direction that his life should take. Yet, something was lacking. Was this the path that he was meant to walk? Did he want this? He fought his chosen destiny at every stage of his life. Would he be able to realise his true destiny?

An essential addition to any collection of Western art and Americana, The Life and Times of Jo Mora provides an in-depth biography of this gifted illustrator, painter, writer, cartographer, and sculptor. Jo Mora (1876\u20131947) lived the Western life he depicted in his prolific body of visual art, comprising sculpture, paintings, architectural adornments, dioramas, and maps. He explored California Missions, the natural glories of Yosemite, California's ranch life, and eventually the culture of the Hopi and Navajo in Arizona. During his travels, Mora documented observations that became the source material and inspiration for much of his later artwork. The magnitude of Mora's insights into his life and work, as described in his own words\u2013many presented here in this book\u2013cannot be underestimated. Jo Mora's many diaries, journals, and literary efforts reveal an intellectual discernment, originality, and humor that enhance our appreciation of his work. Remarkably, throughout his life Mora supported his family solely through a series of art commissions that ranged from restaurant murals to heroic-scale sculpture. He welcomed risks and challenges, was unafraid of hard work, and did nearly everything well, from writing children's stories to commanding an army battalion-in-training to shooting mountain lions. Ever modest, he seemed to think that this versatility was nothing extraordinary. Peter Hiller's thoughtful presentation of Jo Mora's life is seen here in all of its creative glory.

A San Francisco Chronicle Best Book of the Year. "A work of scope and profound insight into the divided soul of Mexico." \u2197History Today The Life and Times of Mexico is a grand narrative driven by 3,000 years of history: the Indian world, the Spanish invasion, Independence, the 1910 Revolution, the tragic lives of workers in assembly plants along the border, and the experiences of millions of Mexicans who live in the United States. Mexico is seen here as if it were a person, but in the Aztec way; the mind, the heart, the winds of life; and on every page there are portraits and stories: artists, shamans, teachers, a young Maya political leader; the rich few and the many poor. Earl Shorris is ingenious at finding ways to tell this story: prostitutes in the Plaza Loreto launch the discussion of economics; we are taken inside two crucial elections as Mexico struggles toward democracy; we watch the creation of a popular "telenovela" and meet the country's greatest living intellectual. The result is a work of magnificent scope and profound insight into the divided soul of Mexico.

Little Boys have secrets, Most secrets don't hurt, Men in high places want this secret - They will Kill for it - The First Book of the Jeremy Ruhl saga! The son of the English explorer Lord Baron Ruhl, Jeremy Ruhl, is lost in America. In the late 1800's The civil war is over, balloons dot the skies of Europe, and a boy begins an adventure! Rated YA 10 and up, some mild violence.

A biography of the brilliant, ambitious Forrestal whose career took him from the Wall Street to Washington.

From author of Waiting for the Barbarians and Nobel Prize winner J.M. Coetzee. J.M. Coetzee's latest novel, The Schooldays of Jesus, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. In a South Africa turned by war, Michael K. sets out to take his ailing mother back to her rural home. On the way there she dies, leaving him alone in an anarchic world of brutal roving armies. Imprisoned, Michael is unable to bear confinement and escapes, determined to live with dignity. This life affirming novel goes to the center of human experience\u2013the need for an interior, spiritual life; for some connections to the world in which we live; and for purity of vision.

A New York Times Book Review Editors' Choice. The Sunday Times (U.K.) Classical Music Book of 2018 and one of The Economist's Best Books of 2018. "A magisterial portrait." --Corinna da Fonseca-Wollheim, The New York Times Book Review A landmark biography of the Polish composer by a leading authority on Chopin and his time Based on ten years of research and a vast cache of primary sources located in archives in Warsaw, Paris, London, New York, and Washington, D.C., Alan Walker's monumental Fryderyk Chopin: A Life and Times is the most comprehensive biography of the great Polish composer to appear in English in more than a century. Walker's work is a corrective biography, intended to dispel the many myths and legends that continue to surround Chopin. Fryderyk Chopin is an intimate look into a dramatic life; of particular focus are Chopin's childhood and youth in Poland, which are brought into line with the latest scholarly findings, and Chopin's romantic life with George Sand, with whom he lived for nine years. Comprehensive and engaging, and written in highly readable prose, the biography wears its scholarship lightly: this is a book suited as much for the professional pianist as it is for the casual music lover. Just as he did in his definitive biography of Liszt, Walker illuminates Chopin and his music with unprecedented clarity in this magisterial biography, bringing to life one of the nineteenth century's most confounding, beloved, and legendary artists.
