This book has a perfect balance between monthly and future logs and space to break out your own creative lists with inspirational tips and tricks throughout to build and maintain a lifestyle you love. Beautifully designed by David Sinden, the bestselling author of The Little Book of Calm Colouring.

Bullet It! is an original take on bullet journaling, an artistic life organisation system that's going viral online and poised to become the "adult colouring books" of the journal world. Rather than face an intimidating blank page of a traditional bullet journal, inside you'll find artistically laid-out pages and guided fill-in to record your goals and dreams both large and small. Whether you quickly complete your tasks or simply move them to a new journal, what

remains is a beautiful keepsake that reminds you just how much you are accomplishing, on both a macro and micro level.

The system combines elements of a wishlist, a to-do list, and a diary. It makes it easy to get thoughts out of your head and onto paper, to see them clearly and decide what to do about them

Nothing is what it seems in NPR correspondent Mary Louise Kelly's "riveting, twisty tale" (Hallie Ephron, author of *Night Night, Sleep Tight*), in which a woman discovers a decades-old bullet at the base of her neck. Caroline Cashion is stunned when an MRI reveals that she has a bullet lodged near the base of her skull. It makes no sense: she has never been shot. She has no scar. When she confronts her parents, she learns the truth: she was adopted when she was three years old, after her real parents were murdered in cold blood. Caroline had been there the night of the attack, and she'd been hit by a single gunshot to the neck. Buried too deep among vital nerves and blood vessels, the surgeons had left it, and stitched up the traumatized little girl with the bullet still inside. Now, thirty-four years later, Caroline returns to her hometown to learn whatever she can about who her parents were, and why they died. A cop who worked the case reveals that even after all these years, police still don't have enough evidence to nail their suspect. The bullet in Caroline's neck could identify the murderer... and that person will do anything to keep it out of the law's hands. Now Caroline will have to decide: run for her life, or stay and fight? With non-stop action, "an extremely likable narrator and twists and turns galore" (Alice LaPlante, author of *Turn of Mind*), *The Bullet* will keep you riveted until the very last page.

Organize your life, record what matters, and get stuff done! What the heck is a dot journal? It's a planner, to-do list, and diary for

every aspect of your life: work, home, relationships, hobbies, everything. Early adopter Rachel Wilkerson Miller explains how to make a dot journal work for you—whether you find the picture-perfect examples on Pinterest inspiring or, well, intimidating. You decide how simple or elaborate your journal will be, and what goes in there: Lists of your to-dos, to-don'ts, and more Symbols that will make those lists efficient and effective Spreads to plan your day, week, month, or year Trackers for your habits and goals (think health, money, travel) Accouterments such as washi tape, book darts, and more!

Journal with Purpose is the ultimate reference for journaling, packed with over 1000 motifs that you can use to decorate and enhance your bullet or dot journal pages. Copy or trace direct from the page, or follow one of the quick exercises to improve your skills. Featuring all the journal elements you could wish for — banners, arrows, dividers, scrolls, icons, borders and alphabets — this amazing value book will be a constant source of inspiration for journaling and an 'instant fix' for people who find the more artistic side of journaling a challenge.

An easy-to-use and beautifully-designed journal to keep track of projects, goals, and every day tasks. My Little Bullet Book is a creative and productive organizational system that combines your sketchbooks, coloring books, planner, to-do lists, and journals all in one place! You can start using the book right away by coloring or filling in any of the starter prompt pages where you can track your habits, start a sleep log, list your aspirations for the year, keep track of birthdays or books you plan to read. Interspersed throughout are black and white illustrations that you can color in at your leisure to create a gorgeous keepsake journal, alongside inspirational stories that quotes that will help you stay on track, achieve your goals, and build and maintain a lifestyle you love.

Guided bullet organization and achievements made beautiful! This new book by Bullet It! author/illustrator Nicole Lara gives bullet journalers beautifully illustrated, full-color pages and prompts for recording their “ life lists. ” The prompts include practical lists, like movies to watch, favorite books, Christmas present ideas, trips they ’ d like to take, and home decorating ideas, but also personal lists, like the people who make them laugh the most, the things they ’ re most grateful for, and where they see themselves in 10 years.

After becoming famous and getting the attention of the daughter of a wealthy New York City developer following his rescue of a little girl from a speeding subway train, Nick looks for other people to rescue. Reprint.
