Welcome to View From The Ground. My look at how to bounce back when life throws you a lemon, and to realise it's okay not not always be okay. We all have those days. But let's talk our way through those days to see the way forward. The blogs published are written from a place of love and belief that we can all help each other.

### View From The Ground – Welcome to a View From The Ground

View from the Ground is the tenth studio album by American folk rock duo America, released by Capitol Records in July 1982. This album marked a comeback for a group that had been generally written off since Dan Peek's departure five years before. It was a modest hit in the US, reaching number 41 on the Billboard album chart, and produced two hit singles: "You Can Do Magic" reached number eight on the Billboard singles chart and number five on the adult contemporary chart, and "Right Before Your

A: The View From The Ground was an online publication produced from 2001–2007 by Chicago journalist Jamie Kalven, photographer Patricia Evans, and technologist David Eads. Publishing from an office in a vacant unit at the Stateway Gardens public housing development, it was conceived as a human rights monitoring strategy: a vehicle for documenting conditions of life in abandoned communities.
